

## LIST OF PUBLICATIONS

- Importance of Retinal Evaluation before Refractive Surgery. Intraocular Implant & Refractive Society, India.Vol.1 May 2004 to August 2004.
- Intravitreal Avastin (Bevacizumab) injection for Ocular Ischemic Conditions. Orissa journal of ophthalmology Oct 2007 Vol. 16: 64-5.
- Intravitreal Avastin (Bevacizumab) injection for Ocular Ischemic Conditions. POSTER – Poona Ophthalmological society Nov. 2007.
- Anterior Luxation of rollable intraocular lens.Indian Journal of Ophthalmology Jan-Feb 2007 Vol.55 No.1:82-83.
- The Use of Intravitreal Bevacizumab in Neovascular Glaucoma. A Case report. Bull.Soc.Belgium Ophthalmology – 2007 ;( 303):43-45.
- How to prevent endophthalmitis in cataract surgeries? Indian Journal of Ophthalmology. 2008 Sep-Oct; Vol.56 (5):403-7.
- Comparison of single injection of intravitreal triamcinolone versus single injection of intravitreal bevacizumab in macular edema secondary to branch retinal vein occlusions with regard to changes in best corrected visual acuity and central macular thickness in the short term. Indian Journal of Ophthalmology. 2009 May-Jun; Vol. 57(3):243-4.
- Late posterior subluxation of rollable intraocular lens after an uneventful microphacoemulsification cataract surgery. Indian J Ophthalmology.2010 July-August; Vol.58 (4):350-351.
- Retina and Lasik. Intraocular implant and Refractive surgery Journal April 2004.
- Editorship of Poona Ophthalmological society magazine – POSTER, April 2005-2007.

PAPERS PUBLISHED (NATIONAL & INTERNATIONAL)

### PRESENTATIONS AT NATIONAL LEVEL:

#### All India Ophthalmic society conference (AIOS)

#### Scientific paper presented:

##### Year 2011

- Congenital dacryostenosis a methodical approach-Lcricath & laser DCR.
- Clinical outcome of non drainage scleral buckling for primary rhegmatogenous retinal detachment.

### **Year 2010**

- Can nystagmus – Aelectronystagmography based evaluation.

### **Year 2009**

- Transpupillary thermotherapy (TTT) for circumscribed choroidal hemangioma.
- Non drainage retinal detachment surgeries: A retrospective analysis of 55 patients.
- Sub tenon anaesthesia for squint surgeries our experience.

### **Year 2006**

- Prevalence of diabetic retinopathy in western India.
- A case report on ocular ischemic syndrome secondary.

### **Year 2005**

- Work up in patient undergoing keratorefractive surgery.

### **Year 2004**

- Visual outcome & complications of bimanual Phacoemulsification through sub 2 mm incision using whitestar.
- Evaluation of corneal endothelium by specular microscopy of patients undergoing bimanual sub 2 mm cataract surgery using whitestar.

### **Year 2003**

- Work up in patient undergoing keratorefractive surgery.
- Techniques for nucleus delivery in AC in small incision cataract surgery (SICS).

### **Year 2002**

- Phaco-machine & mechanics.
- Contact lens practice – an art.

### **Year 2001**

- Visual outcome & complications of ND: Yag Laser Phacoemulsification in senile cataracts.
- Our experience of PRK in 1000 post PK Eyes.
- PRK in unusual conditions.
